ADDITIONAL INFORMATION

MAINTENANCE

- Wipe with a warm damp cloth, no chemicals.
- Regularly check connectors for damage.
- If not installed permanently, keep packaging and store your **SMIRNOFF NEON SIGN** in a clean and dry environment.

WARNINGS

- Do not modify, disassemble, open, drop, crush, puncture, shred and/or replace any of the accessories and/or parts or this product or warranty is invalid.
- If the external cord is damaged, the product should be destroyed.
- The light source of this product is not replaceable; when the light source reaches its end of life the whole product should be recycled.
- To reduce the risk of strangulation, fix the cable or cord to the wall.
- Never handle electrical items with wet hands.
- Do not use excessive force when inserting/removing connectors.
- This is a fragile item, always handle with care. Any misuse may cause accidents.
- This is not a toy – **keep away from children.**

TROUBLESHOOTING

Sign not lit

- a) ensure adapter is pushed in completely and connected to the sign
- b) check for visible damage to power adapter or connections.

Flickering

- a) remove adapter and reconnect - secure connections.

Overheating

- a) if sign is too hot, or smells bad, unplug and allow to cool.
- b) check the sign is not blocked or has restricted airflow.

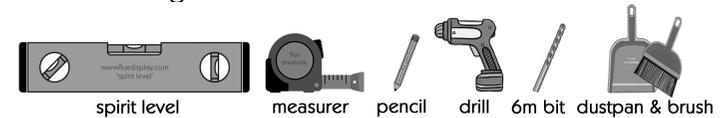

Broken:

- a) Use qualified electrician to inspect or see our Recycling Section.

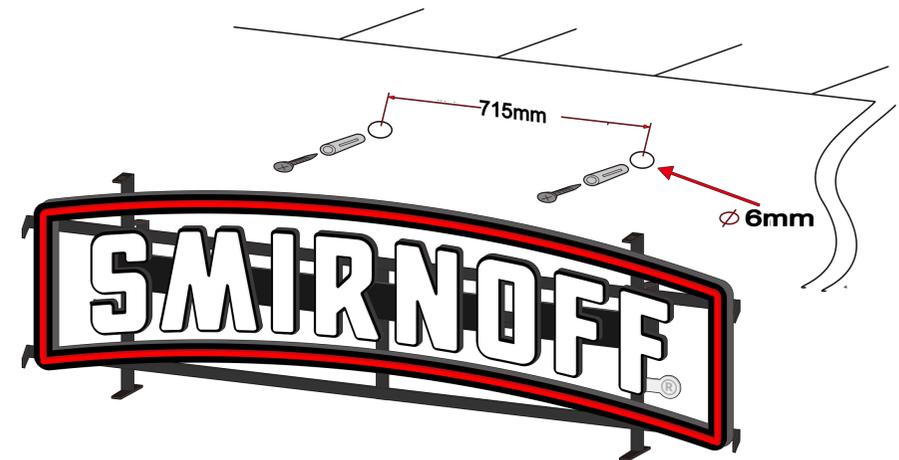

INSTALLATION GUIDE

WALL MOUNTING: Select a location with easy access to a power outlet. Avoid places with direct sunlight or excessive moisture.

Tools: Gather the following items

1. Use a spirit level, measuring device and pencil to mark the hole-centres.

2. Choose correct type 6mm drill bit. **ATTENTION** hidden wires and pipes.
3. Gently tap-in Rawl Anchors until flat to the wall.
4. Screw-in provided screws until 10mm exposed. Ensure screws are strong.
5. Using **2 people** lift the sign and align the wall screws with keyhole slots in the sign. Once completed, ensure the sign is strong, safe and cannot fall.
6. Connect the plug to the sign, plug-in switch ON and enjoy.

HANGING

1. Find a suitable place to hang the sign, whilst considering public safety and available electricity.
2. Ensure your chosen place can take the weight of the **SMIRNOFF NEON SIGN**. To check, attach the chains to your chosen area and very gently pull down and ensure it's going to be strong enough (never pull too hard).
3. Using **2 persons** attach chains to the sign and attach to your chosen hanging area above.
4. Connect the plug to the sign, connect the sign to the available electricity and enjoy.
